**Martin Commercial Properties Brokers Lease of Unique Office Space,  
Brings New Business to East Lansing**

EAST LANSING, MI – *March 29, 2022*: Kasch Properties, Ltd. leased a well-located, well-maintained and well-appointed modern flex space in East Lansing to Certus Medical this January, marking the entry of a vital service to the Greater Lansing area.

Headquartered in Indianapolis, Indiana, Certus Medical distributes orthopedic implants and other surgical equipment. Its largest brand is DJO Surgical, maker of hip, knee and shoulder replacements. The lease capitalizes on the versatility of the property at 345 W. Lake Lansing Road that combines more than 5,000 square feet of office space with 1,000 square feet of heated storage space. The location’s private and open offices, conference rooms, shared areas and overhead garage door allow tenants to efficiently manage multiple aspects of business under one roof.

“We’re excited about providing quality space to a quality supplier of high-demand products for essential industries,” said Jim Kasch of Kasch Properties. “Their new location in East Lansing builds on the healthy mix of organizations that make Mid-Michigan a great place to live and do business.”

Martin Commercial Properties, a leading privately-owned real estate services and development company, represented Kasch Properties in the lease of the facility. Martin’s Senior Associate and Office Advisor Thomas Jamieson facilitated the transaction.

“We were pleased to help Kasch Properties find an exciting new tenant for their property, and to bring a respected supplier of much-needed medical supplies and equipment to Greater Lansing,” said Jamieson. “Martin is committed to the prosperity of communities large and small through a range of personalized services that help drive the economic development of our area.”
